**SUBJECT: SUBSTANTIAL COMPLIANCE DETERMINATION FOR COASTAL DEVELOPMENT PERMIT
CDP13-0018(I): CONSTRUCTION PHASING & CONSTRUCTION MANAGEMENT
PARKING PLAN PHASES 2A AND 2B**

Dear Mr. Ward and Mr. Ueberroth:

The City has reviewed your requested revisions to Phase 2A and 2B of the Construction Phasing & Construction Management Parking Plan (CP&CMPP) related to Coastal Development Permit CDP13-0018(I) for the development otherwise referred to as the Dana Point Harbor Commercial Core, as approved by the Dana Point City Council on November 18, 2014.

Construction of the parking garage commenced in early 2024, necessitating revisions to the CP&CMPP to accurately reflect current parking demand and reconfiguration of designated boater parking to minimize disruption of various users. The revisions are summarized below:

1. Retail Commercial Core Parking - Since the CP&CMPP was developed, several suites have been vacated, resulting in a decreased parking demand in the retail commercial core area. The proposed revisions provide greater flexibility to accommodate the parking needs of commercial users.
2. Reconfiguration of Day Use Boater and Dry Boat Storage Areas – The current CP&CMPP describes these parking areas as being contiguous. To minimize disruption of the users and appropriately locate the construction staging area, these areas have been reconfigured, while maintaining the required 334 day use boater spaces and 493 dry boat storage spaces.

The revisions do not change the number of phases or the overall three (3) year duration to

complete the project, rather the changes only impact the allocation of parking in Phases 2A and 2B. The CP&CMPP revisions to Phases 2A and 2B continue to satisfy the Construction Management Plan requirement related to implementation of entitled Commercial Core improvements, as required by Sections 4.5(s) and 5.5(s) of the Dana Point Harbor District Regulations (DPHDR).

Revisions to the project and the CP&CMPP can be considered pursuant to Condition No. 4 of City Council Resolution No. 14-11-18-16 for CDP13-0018(I). Condition No. 4 provides that, if any changes are proposed regarding the location or alteration to the appearance or use of any structure, the Community Development Director may authorize changes to the permits without requiring a new public hearing provided that the following findings can be made to support the proposed changes.

A. The proposed changes comply with the provisions, spirit and intent of the original approvals. The changes are detailed as follows:

As preparation and construction on the parking structure began, Dana Point Harbor Partners, LLC (DPHP) prepared a restriping plan to ensure the required 334 vehicle with trailer (day use) parking spaces in the day use boater area were provided in compliance with the Dana Point Harbor Revitalization Plan & District Regulations (DPHRP&DR). The restriping plan has been reviewed and approved by the City illustrating the required day use boater parking spaces in Lots B, C2, D, E, and F in Planning Area 1 of the Dana Point Harbor. This plan is attached as Attachment 1 to this letter.

Attachment 1 also identifies dry boat storage totals in Lot C1 to meet the required 493 boats to be stored on dry land as part of the DPHRP&DR. The plan indicates that 668 dry boat spaces for both motorized (247) and non-motorized (421) vessels. Additional dry boat storage is also available in Lot 11a adjacent to the Dana Marina Inn. Adjacent Lot 11b₁ has surplus parking spaces resulting from a reduction in the total number of boat slips coinciding with the completion of new boat slips in a portion of the East Cove Marina (see Attachment 2). Displaced hotel parking is located in Lot 11b₁.

Lots 11b₂, 11i, and 11a continue to maintain a minimum of 222 designated boater parking spaces (as approved for CDP13-0018(I)) related to a portion of the boat slip parking demand in the East Cove Marina for Phases 2A and 2B. The remaining boat slip parking demand in the East Cove Marina (117 spaces) is provided in Lot 11b₁.

CP&CMPP Phases 2A and 2B have also been revised to allow the 125 parking spaces allocated to the sport fishing to be parked in the Commercial Core parking lots, or to be shuttled as needed to the surplus parking on the east and west basing island parking lots, as previously approved. Due to the loss of parking demand from vacant buildings within the Commercial Core (approximately 273 spaces), this request is acceptable. Please note, occupancy of the vacant suites may necessitate implementation of the shuttle for the sport fishing use to the surplus parking on the island parking lots, as previously approved.

B. That the action would have been the same for the amendment as for the approved plans:

Based on the City Council's approval of the project, it is staff's opinion that the modifications proposed to Phases 2A and 2B of the CP&CMPP, which maintain a surplus of parking spaces in the Commercial Core and continue to ensure adequate designated parking for priority boater parking, boat launch ramp and surface boat storage uses throughout all phases of Project construction, while satisfying the development regulations and policies in the DPHRP&DR related to Commercial Core revitalization. Therefore, the action of the City Council would have been the same as the approved plans. Consequently, the proposed revisions substantially comply with the original CDP13-0018(I) approval.

All conditions of approval included in City Council Resolution No. 14-11-18-16 for CDP13-0018(I) and any subsequent revisions shall remain in effect and applicable, except as may be modified by this Substantial Compliance Determination.

The revisions to Phases 2A and 2B of the CP&CMPP are memorialized in stamped copies of those two sheets inserted into the 2022 approved CP&CMPP. The revised sheets comprising Phases 2A and 2B contain a "Substantial Compliance" stamp, signed and dated June 10, 2024, are attached.

Should you have any questions regarding this determination, please contact Kurth B. Nelson III at (949) 248-3572.

Sincerely,

Brenda Wisneski
Director of Community Development

2. Revised Phases 2A and 2B

RELOCATE PORTION OF LAUNCH RAMP PARKING (IN AREA "A"), SPORT FISHING PARKING (IN AREA Ib), AND MERCHANT PARKING (IN AREA li) TO PREPARE FOR NEW PARKING STRUCTURE CONSTRUCTION AND NEW BOATER SERVICES BUILDING

TENTATIVE CONSTRUCTION TIME DURATION	
PHASE 2A	COMPLETED

1. RESTRIPE EXISTING LAUNCH RAMP PARKING AREA B AND DRY BOAT STORAGE PARKING AREAS (C, D, E & F) (SUBJECT TO CITY REVIEW AND APPROVAL) TO ACCOMMODATE THE DRY BOAT STORAGE (AUTO AND BOAT) PARKING AND 334 LAUNCH RAMP AUTO & TRAILER PARKING SPACES. THE REMAINING AREA TO ACCOMMODATE 247 DRY STORAGE BOAT PARKING AND 421 DRY BOAT STORAGE RACKS. ALLOCATE 40 DRY BOAT STORAGE SPACES AT LOT IIa.
2. PROVIDE SHUTTLE SERVICE AS NEEDED BETWEEN ISLAND AND DANA WHARF.
3. UTILIZE PORTION OF PARKING LOT II FOR CONSTRUCTION STAGING WITH 2ND FLOOR BSB #1 SERVING AS TEMPORARY CONSTRUCTION OFFICE AND TEMPORARILY RELOCATE 47 MERCHANT PARKING SPACES TO WEST ISLAND SURPLUS PARKING SPACES AND PROVIDE SHUTTLE SERVICE BETWEEN ISLAND AND COMMERCIAL CORE BUSINESSES, LEAVING 72 BOATER PARKING SPACES IN LOT II.

BUILDING AREA	SF
EXISTING BUILDINGS	85,573

**MINOR AMENDMENT DESCRIPTION:
SEE ATTACHED LETTER DATED 06/10/24**

1. ENTITLEMENT PROCESS FOR DRY STACK STRUCTURE ASSUMED TO TAKE 1½ TO 2 YEARS TO COMPLETE.
2. CONSTRUCTION OF DRY STACK STRUCTURE NOT ANTICIPATED TO COMMENCE UNTIL AFTER COMPLETION OF COMMERCIAL CORE PHASE 4B IS COMPLETED.
3. REMOVAL OF BOATER ACCESS FROM DANA POINT HARBOR DRIVE TO BE COORDINATED WITH TEMPORARY USE OF REMAINING LAUNCH RAMP AND DRY BOAT STORAGE AREA AND CONSTRUCTION OF NEW SEWER LIFT STATION #11 RELOCATION.

1. RELOCATE 125 SPORTS FISHING SPACES FROM LOT 1b TO LOTS 1g & 1j BASED ON REDUCED DEMAND FROM VACANT SPACES. AS NEEDED PROVIDE SHUTTLE TO WEST & EAST ISLAND LOTS 1Va & 1Vb SURPLUS.
2. TEMPORARILY RELOCATE 47 MERCHANT PARKING SPACES FROM LOT 1i TO LOT 1Va WEST ISLAND SURPLUS PARKING AND PROVIDE SHUTTLE SERVICE AS NEEDED. RETAIN 72 BOATER PERMIT PARKING SPACES IN LOT 1i.
3. APPROXIMATELY 214 LAUNCH RAMP AUTO & TRAILER SPACES IN AREA "A" TO BE RELOCATED TO EXISTING DRY BOAT STORAGE SPACES IN AREAS C, D, E, AND/OR F BASED ON STRIPING PLAN.
4. RELOCATE DRY BOAT STORAGE AUTO PARKING FROM LOT 1c1 (13 SPACES) TO REMAINING RESTRIPE LOT F FOR NO NET LOSS TO EXISTING PROVIDED DRY BOAT STORAGE AUTO PARKING.
5. RELOCATE 40 HOTEL SPACES FROM LOT 1Ia TO LOT 1Ib1 SURPLUS SPACES.
6. RELOCATE CATALINA EXPRESS (120 SPACES) TO LOT 1Ib1 SURPLUS SPACES.
7. RESTRIPE PARKING LOT 1Ia AND ALLOCATE 40 DRY BOAT STORAGE SPACES.
